Fuel Station Evangelism

Tract Evangelism

Street Crusades

Praise Storms,

Etc.

We usually hold our meetings every Sunday immediately after the service at the gallery at the back of the main auditorium facing the altar directly. We have or outreaches 3 to 4 times weekly and have our vigils on the third Thursday of the month. Since the creation of the group we have reached so many local governments in Lagos State and by the grace of God we have preached and witnessed to so many people, so many lives have been touched positively, we have recorded so many mouth opening testimonies, so many souls have been effectively brought into the kingdom of God. And Lagos knows our ground quaking bimonthly Praise Storm Crusade.
